

The New York State Society of Physician Assistants' Political Action Committee (PAC) supports the passage of legislation that improves healthcare delivery and ensures a PA's ability to practice in a variety of settings.

NYSSPA's recent accomplishments:

- Successful lobbying for and passage of the Re-statement of Physician Assistant Practice Act
- Successful lobbying for and passage of an amendment to NYS education law to accurately reflect current PA requirements
- Successfully lobbied for the legislative removal of the 24-hour Counter-Signature Requirement for PAs
- Secured DEA Licensure for the PA privilege to prescribe Schedule II-V Medications

Supporting the NYSSPA PAC ensures that we will be able to continue to protect PA practice and ensure quality healthcare delivery to communities throughout New York State.
